MEMORANDUM FOR: Executive Officer, Office of Collection and
Dissemination

THRU: The General Counsel
Assistant Director for Collection and Dissemination

SUBJECT: Clearance of Outside Activity - [REDACTED] 25X1A9a

REFERENCES: A. Memorandum from Executive, C & D to C/SCS/50,
dated 30 July 1954, same subject (attached)
B. Memorandum from Acting Chief, SCS/50 to Execu-
tive/CD, dated 24 August 1954, same subject
(attached)

1. In accordance with the request contained in Reference B, this Office has examined appropriate Civil Service rules and regulations. We have found no provisions which would preclude [REDACTED] association with the proposed enterprise. However, if the proposed activity were to assist individuals in obtaining Federal positions, we believe a conflict of interest issue might be involved. It is suggested this point be determined by the General Counsel in his review of [REDACTED] request.

2. From the point of view of this Office, we believe it would be undesirable if [REDACTED] through the proposed activity, were to be placed in indirect competition with the Agency for the services of librarians. Although we are not aware of the scope of the service contemplated, we assume it will have contacts with colleges, universities and other recruitment sources used by the Agency. If the recruitment of qualified librarians for this Agency would be made more difficult by the activity of the placement service, the propriety of [REDACTED] association with the proposed organization would be doubtful.

3. Moreover, it might be improper for [REDACTED] through the placement service, to recommend prospects for Agency employment since such action might be construed as inconsistent with the intent of the Act of September 13, 1951 (Public Law 141, 82d Congress), as quoted in the Federal Personnel Manual, Chapter 21-103. It is suggested that the General Counsel also comment on this point.
